

I Support a 28th Amendment!

The Supreme Court's rulings in *Citizens United v. FEC* in 2010 and *McCutcheon v. FEC* in 2014 effectively **take the "r" out of free speech** and further empower a wealthy few to control our elections and our government while weakening the voices of the many. Dozens of Wisconsin communities have called for a constitutional amendment to reverse the effects of *Citizens United*, *McCutcheon* and related decisions.

I, too, support a statewide advisory referendum on a 28th Amendment to the U.S. Constitution that states: 1) Only human beings -- not corporations, unions, nonprofit organizations, or similar associations -- are endowed with constitutional rights, and 2) Money is not speech, and therefore limiting political contributions and spending is not equivalent to restricting political speech.
