**“Politician Patrick Buckley
will be right in to see you.”**

IT'S OUTRAGEOUS.

When you or your family are making personal medical decisions, you don't want your state assembly member in the room. But politicians like Patrick Buckley think he should be making women's personal medical decisions.

Buckley can't be trusted on women's health.

- ✗ He supported the politicians who upheld Wisconsin's 1849 abortion ban, which has **no exceptions for rape or incest** and could **jail doctors and nurses** for performing abortions.

Transparency USA, Patrick Buckley, 6/4/24; LegiScan, Wisconsin Senate Bill 70, 6/29/23

- ✗ They even supported changing the state constitution, which could **ban IVF** and make certain forms of **contraception illegal**.

LegiScan, AJR 130, Introduced 2/7/20

Patrick Buckley has no business in your exam room,
and no business in the state assembly.
