- He opposed requiring insurance companies to cover people with pre-existing conditions.
- Moses even opposed a plan to rein in out-of-control prescription drug costs and specifically cap the cost of insulin.

That's why we need Joe Plouff fighting for Western Wisconsin.

Joe Plouff is a U.S Army veteran and longtime resident of Western Wisconsin. He has seen hospitals close in our area and knows Madison needs to take action.

We can count on Joe to make healthcare more accessible and affordable while strengthening our hospitals.
