is taking money and support from extreme politicians that would hurt women, working families, and our children's future.

- Backing the 1849 abortion ban with no exceptions for rape or incest.
- Sending doctors and nurses to jail.
- Even changing the state constitution, which could ban IVF and make certain forms of contraception illegal.

Taking taxpayer dollars
and sending them to private schools -
forcing cuts to local schools or higher
property taxes.

Blocking childcare funding,
caps on prescription drug prices,
and middle class tax cuts.
