# With politicians like Duey Stroebel, that headline could just as easily be “2024 News.”

He voted against repealing Wisconsin's 1849 abortion ban, which had no exceptions for rape or incest.

Stroebel also proposed a constitutional amendment that could ban IVF. He even restricted access to contraception and cancer screenings.

We don't need laws around women's health era we don't need politicians like Duey Stroebel pushing his outdated views.
