Speak Free or Die Founded To Support Roth For Lt Gov

*Ardent Champion of 1st Amendment Values, Roth in Best Spot to Win August
Primary with first \$100k Support from Free Speech Group*

MILWAUKEE WI Every day, the ability of Americans to speak their mind, petition their government, and worship without government interference is under assault. In addition, big-tech censorship, higher education, and the media have contributed to an ecosystem where the elites can stifle voices of dissent.

Speak Free or Die has been formed to support Roger Roth, an ardent champion of our first amendment values, in his statewide campaign for Wisconsin Lieutenant Governor.

Roger Roth swore an oath to defend the Constitution of the United States against all enemies, both foreign and domestic. As a military veteran and state senator, he's protected the ideals that our nation was built upon and become one of the leading voices on free speech in Wisconsin politics. Captain, Construction Owner and Conservative Roger Roth is in the best position to help the Republican Gubernatorial candidate beat Tony Evers this Fall.

Speak Free or Die has been established as an independent expenditure committee or "super PAC" and boasts \$100,000 cash on hand. It registered last week with the Wisconsin Ethics Commission and operates independently of any state or local candidates. While working to elect specific candidates in Wisconsin, Speak Free or Die does not coordinate its activities with any candidate or candidate's agent.
