

No one has fought
for our community
and our values like
Jason Fields has in
the State Assembly.

Since 2004, every time Republicans
have tried to take away our rights,
State Representative Jason Fields
was there, protecting us and our
community.

“When the Republicans tried to
take away our rights, no one
stood by us like Jason Fields.”

Council President Willie Hines

“Jason Fields stood with me in the
Recall campaign. We need to keep him in
Madison so he can continue to fight for
us.”

Mayor Tom Barrett
