HOMETOWN VALUES, REAL-
WORLD EXPERIENCE, AND
THE RIGHT PLAN TO CREATE
JOBS FOR OUR COMMUNITY.

Assembly candidate Nancy VanderMeer knows our community. She has a deep understanding of what makes our economy tick.

As a small businesswoman, she's worked hard to ensure the success of her local car dealership even during tough economic times. And as a former local hospital board member, she knows it's important for small businesses to have options for offering health care benefits to workers.

Nancy is in touch with our agricultural roots, too — she and her husband, David, live on the Tarr Valley dairy farm his family has worked since 1868.

Nancy VanderMeer is campaigning for Assembly on a strong platform to help our economy and attract high-paying jobs for our local workers:

- ★ Fund technical training and education.
- ★ Support for all our local industries — dairy, cranberries, logging, produce, agricultural tourism and plenty more.
- ★ Hold down property taxes, keeping more of your money in your pocket.
- ★ Repeal government regulations and red tape that harm small businesses, which are the backbone of our local economy.
