GOVERNOR SCOTT WALKER KNOWS THAT
YOU SHOULDN'T BE THE ONLY ONE

PINCHING PENNIES...

EVERY FAMILY KNOWS, SOMETIMES WE HAVE TO MAKE TOUGH DECISIONS WITH THE HOUSEHOLD BUDGET

Unless we want to go broke, we all have to live within our means. So why should the government be any different? It shouldn't. The state government should pinch pennies just like families all across Wisconsin.

That is why Governor Scott Walker should be applauded for his efforts to cut spending, reduce government debt, and making the tough decisions to fix the state budget.

Erased a \$3.6 billion deficit while cutting taxes .

Gave Wisconsin a budget that currently has a \$443 million surplus and \$280 million rainy day fund.

Passed Act 10 Budget Reforms that have saved almost \$3 billion across all levels of government.
