REPRESENTATIVE AMY SUE VRUWINK HAS BEEN FLUSHING YOUR MONEY DOWN THE DRAIN!

The hard working people of Wisconsin deserve public officials who are wise stewards of our taxpayer dollars.

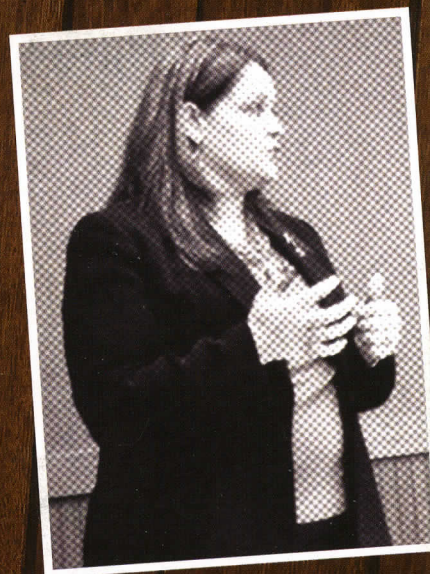

For over a decade, Amy Sue Vruwink has voted for bloated spending bills and massive budgets that wasted your money.

She even voted NO on a constitutional amendment that would have put real caps on how much of your money the government is allowed to spend.

And when she's voted to send all your taxpayer money down the pipes, what does Amy Sue Vruwink do?

She raises taxes, over and over and over again:

- X** In 2009, she voted to increase taxes and fees by \$3.14 billion - the largest tax increase in state history.¹
- X** Voted NO on a plan to limit property tax hikes.²
- X** Voted for automatically increasing Wisconsin's gas tax each year.³
- X** Voted against tax relief for the small local businesses we need to create jobs.⁴

Call Representative Vruwink at 608-266-8366 and tell her to stop flushing our money down the drain.
