

MARK HARRIS

During his first 8 years in office Harris has raised our property taxes by nearly 25%.

MARK HARRIS
RAISED PROPERTY
TAXES BY NEARLY

25%

Career politician Mark Harris has spent the last decade raising our property taxes by nearly 25%¹.

Thanks to Harris' increases, Wisconsin has the 4th highest property taxes in the nation². This increase puts a greater burden on seniors and those with a fixed income.

Harris recently opposed³ Governor Walker's property and income tax cuts, calling them "irresponsible."

SIGN OUR PETITION

To add your name to our petition calling on **Mark Harris to oppose any property tax hikes**, please call our Fox Valley field director at (920) 547-0744.
