

Governor Walker's
Reform Agenda

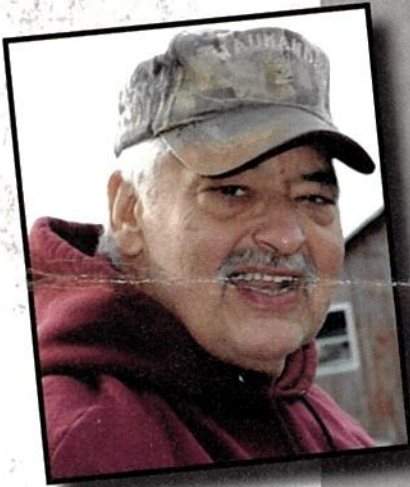

- Balanced Budget
- Lower Taxes
- Jobs

Ken Slezak

and his special interest allies are trying to

**shred Gov. Walker's
reforms in Madison.**

Shredding Governor Walker's agenda that balances the budget and lowers taxes is wrong...

Ken Slezak:

- **Advocated for a plan what would have raised payroll taxes by \$15 billion** to support a new government-run healthcare scheme in Wisconsin.¹
- **Agrees with groups who are working to destroy Governor Walker's reforms**, which balanced the state budget and cut property taxes.
