

SLEZAK

Ken Slezak is a key part of the puzzle to
raise taxes on hard-working Wisconsinites.

It shouldn't be puzzling
that **Ken Slezak's agenda**
is wrong for Wisconsin.

Ken Slezak advocated for a plan that would have raised payroll taxes by \$15 billion!
This \$15 billion would have gone to support a new government-run health care scheme here in Wisconsin.¹

Slezak agrees with the **same groups who are working to roll back Governor Walker's reforms**, which have balanced the state budget and lowered taxes.

Call Ken Slezack at (715) 743-4210
and tell him his extreme policies are
the wrong fit for Wisconsin.
