

Speaker Huebsch,

I don't get to stop working for the year on March 13th, and my elected representatives shouldn't stop either. Especially when there's so much work to do!

It's time to vote on the Impartial Justice bill. It's time to ban campaign fundraising during the state budget process. And it's time to fully disclose all electioneering and close the loophole that allowed at least \$15 million to be spent secretly to influence the outcome of state elections in 2006 and at least another \$3 million to pass under the table to influence the 2007 state Supreme Court race.

I'm going back to work. So should you!
